

SPECIAL DUTY CLEANOUT TOP

The perfect cleanout top for the industrial warehouse environment.

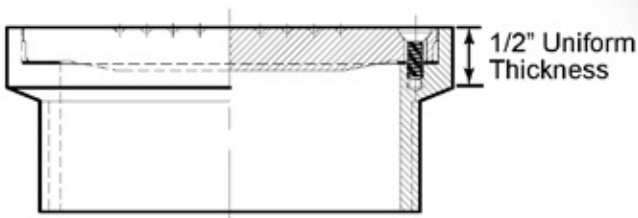

Key Advantages:

- “Special Duty” load rated 10,000 lbs cover
- Ductile Iron cover – 1/2” thick with no recesses around the edges.
- Will not crack or dish when forklifts drive over it
- Works with MIFAB® A1 and A4 bodies.

Part No. XR-4

“MIFAB has always been a very high quality product that has been backed by high quality customer service.”
- Plumbing Wholesaler, Arizona
